### PROFESSIONAL LEARNING IN A PROFESSIONAL LEARNING COMMUNITY

January 15, 2013

**Guiding Question:** How do we collaborate to implement the MCPS 21<sup>st</sup> Model of Education and meet the five District goals using a Professional Learning Communities model (DuFour, et al)?

#### Long term targets:

- Meet the five District goals
- Implement the MCPS 21<sup>st</sup> Century Model of Education
- Integrate Montana ELA Common Core Standards across the District
- Use Professional Learning Communities model (DuFour, et al) district wide

#### Short term targets through January:

- Develop shared understanding of the role culture plays in the successful implementation of a PLC
- Develop a vision of principal leadership in a PLC
- Clarify a shared mission for MCPS
